Seva Experience

As a member of NSS in our college, Prasad V Potluri Siddhartha institute of technology the most memorable event, I have participated many awareness programs on various topics like cybercrimes, literacy, & plastic pollution to educate the public and spread awareness in nearby communities.

A part from these, I participated in many other activities such as vijayawada Marathon, clay ganesh idol preparation awareness campaigns & blood donation camp. I worked as a volunteer in all these activities to serve the people.

Recently, we visited sharon orphanage which is located at mangalagiri we provided lunch to the kids gifted them some toys and spent time engaging with them it was a heart warming experience that taught us the value of community service.

As part of my life, I will go on with many service activities to help nation.
