Seva Experience

As a member of NSS in our college, Prasad V Potluri Siddhartha Institute of technology. I have participated in many events conducted and organized by the college. One among them was Ratha yatra conducted by ISKON Temple in Vijayawada. which is one of biggest Rath yatra's in South India. During this event we helped the people who came to participate in the yatra along the long route.

Recently, Our team visited sharon Orphanage which is located at mangalagiri we provided lunch to the kids gifted them some toys and spend time engaging with them it was a heart warming experience that taught us the value of compassion and community service.

we had also conducted awareness programs on various topics like cybercrimes, literacy, & plastic pollution to educate the public and spread awareness in nearby communities.

I am promising that I will go on taking part of many community service activities to serve the people.
